Introduction

Background

This Annual Audit Letter (the letter) summarises the key issues arising from our 2019/20 audit at NHS Mid Essex Clinical Commissioning Group (the CCG). Although this letter is addressed to the Members of the Governing Body of the CCG, it is also intended to communicate these issues to external stakeholders, such as members of the public. It is the responsibility of the CCG to publish this letter on the CCG's website. In the letter we highlight areas of good performance and also provide recommendations to help the CCG improve performance where appropriate. We did not identify any high risk recommendations in the financial year. We have reported all the issues in this letter to the CCG during the year and we have provided a list of our reports in Appendix A.

Scope of our audit

The statutory responsibilities and powers of appointed auditors are set out in the Local Audit and Accountability Act 2014. Our main responsibility is to carry out an audit that meets the requirements of the National Audit Office's Code of Audit Practice (the Code) which requires us to report on:

Financial Statements including the regularity opinion and Governance Statement	<p>We provide an opinion on the CCG's financial statements. That is whether we believe the financial statements give a true and fair view of the financial affairs of the CCG and of the income and expenditure recorded during the year.</p> <p>We are also required to form a view on the regularity of the CCG's income and expenditure i.e. that the expenditure and income included in the CCG's financial statements has been applied to the purposes intended by Parliament and the financial transactions in the financial statements conform to the authorities which govern them. We report by exception if the CCG has not complied with the requirements of NHS England in the preparation of its Governance Statement. We also examine and report on the consistency of the schedules or returns prepared by the CCG for consolidation into the Whole of Government Accounts (WGA) with our other work.</p>
Value for Money arrangements	<p>We conclude on the arrangements in place for securing economy, efficiency and effectiveness (value for money) in the CCG's use of resources.</p>

Fees

Our fee for 2019/20 was £41,075 (2018/19: £40,268) excluding VAT. This fee was in line with the fee agreed at the start of the year with the CCG's Audit Committee.

Acknowledgement

We would like to take this opportunity to thank the officers of the CCG for their continued support throughout the year.
